

IBC 10TH ANNIVERSARY NUSANTARA BALL

The IBC Ball promises to be memorable. Be enthralled and soothed by the soft, enchanting tunes from a talented musician during the pre-dinner cocktail reception as you network. Later, you will be ushered to the Grand Ballroom. There will be dance demonstrations, performances, and lucky draws include a return business class air ticket to Indonesia. A sit-down Chinese banquet with free-flow of soft drink and a complimentary glass of wine or beer commences at 8.00pm. Our discerning audience comprises businessmen, representatives from various embassies and business associations. There will be ample opportunity to network throughout the evening.
